Rachlin Partners

ARCHITECTURE THAT IS
INNOVATIVE AND AUTHENTIC

Rachlin Partners is an award-winning, fully integrated architecture, planning, interior design, program management and construction management organization. Established in 1982 in Los Angeles, California, Rachlin Partners has expanded into one of the top 40 architecture firms in L.A. today, as named by the Los Angeles Business Journal. Rachlin Partners practices an architecture that is innovative and authentic. The firm believes in socially responsible public architecture. Approximately 80% of its projects involve public funding. They have learned that certain responsibilities come with public work. Rachlin Partners encourage public input, as it enriches design and makes it truly representative of the community for which it is intended.

Rachlin Partners has received numerous local and national design awards, including several coveted Gold Nugget Awards, a CASH - AIA/California Council Award, and multiple awards from Learning by Design and from the Los Angeles Cultural Heritage Commission for Historic Preservation. Rachlin Partners is founded on a strong conviction in the power of architecture to positively shape the way we live, work, socialize, and play in a built environment.
